### PROCESS

A table will be provided for each country with a flag and country sign. People will have 20-30 minutes to prepare their table. Each country will then have 5 minutes max to do their presentation. All food, drink and dances will be saved until after everyone has presented.

The evening will be hosted by Paul & Fergal who will try and generate some energy and fun. After food and drinks we will actively encourage countries to dance and sing and teach others in the room some new cultural experiences.
